The Year In Review

After successfully fundraising over D45k in January, Rahma started the year strong as it completed the sewage project for Madrasa Ahmad Saheer Low.

With Ramadan quickly approaching, we supported them with food essentials for Ramadan as well as the Eid-Al-Fitr celebration.

As part of our aims to strengthen participation in education, Rahma attended and provided gifts to 14 Huffadh as well as gifts for the 'best student' honoree at the Madrasa.

Quickly reaching a target of ~79K, Rahma aided the madrasa with rebuilding their roof as the rainy season approached, allowing the students to learn in a healthy & safe environment.

Expanding our reach, Rahma also supported six families with a ram and essential food items for Eid-Al-Adha.

To address the unsanitary toilets at the Madrasa, Rahma mobilized funds to install clean toilets, stalls and doors ensuring hygiene and dignity for the children.

2025 then ended with outreach activities! Rahma was honored to be a sponsor for the Jannatul Eman & Rihla Conference. We were also present at the Her Conference by Sister Solidarity as we fundraised through a bake sale while connecting with the community as we share our mission.

A Story Of *Impact*

Ustadh Adama Ceesay
Ustadh at Madrasa Ahmad Saheer
Low

“These beautiful toilets they (Rahma Charity) have built for the children have truly erased the burden of caring for them...It was made possible through the collective efforts of many who have worked with us to help. They (Rahma) have also consulted us about how the work should be done and cooperated closely with the workers.”

With generous donations allowing us to reach the target of D121K, Rahma Charity was able to rebuild the toilets at Madrasa Ahmad Saheer Low, providing over 250 children access to clean and safe toilets.
